

Christmas Fundraiser

Instead of the usual Christmas Fayre, this year FOCCS are hoping you will support the school and local parent owned businesses at the same time with this Christmas gift buying fundraiser.

Here are listed 9 BoA based businesses, almost all operated by Christ Church parents, which will offer a set percentage of their festive season online sales to FOCCS. From wine to vintage homewares, organic children's clothes to Christmas wreaths, there's a wide range of gift ideas on offer and you don't need to leave the safety of your own sofa to tick things off your festive to do list while helping out local businesses and the school PTA at the same time.

Cru Wines

Our fabulous local wine and spirits shop will donate 5% of their online sales which use code 5FOCS from now until the very end of 2020. The code will not apply to purchases of gift cards, vouchers or events.
